The FINAL TOAST
Greetings Friends

This year marks the 25th season of the Toast of the Town fundraiser. Achieving this commemorative year was made possible because of your loyal participation and support. This is a remarkable milestone! We applaud two and a half decades of generous party hosts, committed community sponsors and dedicated committee members. To celebrate this tremendous legacy we announce The Final Toast – one last party season with the ultimate party line-up. The Final Toast will provide something for everyone – party options and support opportunities for all. Party proceeds will benefit three patient-centered hospital programs (see details on next page). Funds raised over the Toast of the Town’s history have supported and sustained these vital programs at HSHS St. Mary’s Hospital Medical Center and HSHS St. Vincent Hospital.

Enclosed, please find your invitation. We invite you to join us as we celebrate and conclude this incredible tradition and history. Thank you for your years of support and for helping to make the 25th and final season our most memorable one yet!

Impacting Patient Care for 25 Years

Proceeds from this year’s Toast of the Town parties will benefit three essential hospital programs.

The Madeline and Robert Harlan Humanitarian Fund for Cancer Patients

The Madeline & Robert Harlan Humanitarian Fund provides assistance to adult and pediatric cancer patients at HSHS St. Mary’s Hospital Medical Center and HSHS St. Vincent Hospital. The fund helps address personal needs, such as transportation, medication assistance, meal cards or supportive services such as diet counseling, art therapy or childcare assistance. Support from the fund helps aid patients with needs and services that are not otherwise covered by insurance and that could enhance their treatment or help remove barriers to completing their treatment.

HSHS St. Mary’s Hospital Endowment Fund

This permanent charitable fund was established to support current and future needs of HSHS St. Mary’s Hospital Medical Center. Funds help purchase life-saving equipment and support patient-centered programming.

Child Life Program

The Child Life Program is a free service available to pediatric patients and their families during hospitalization at HSHS St. Vincent Hospital and HSHS St. Mary’s Hospital Medical Center. Child Life specialists help children and families cope with the stress and anxiety of hospital tests and procedures, as well as offer grief support. The Child Life Program is funded exclusively through donations received by individuals, foundations and corporations inspired to help our youngest patients.
Ladies Garden Party

Back by popular demand is the ladies garden party! This party has been a timeless favorite over the Toast of the Town’s history. Celebrate The Final Toast with your attendance at this classic and sophisticated garden gathering.

Bring a friend (or your mom) and experience the glorious fragrances and delightful sights of seasonal fresh flowers and greens. Guests will enjoy a full sit down dinner in the garden, catered by Runaway Spoon. The professionals at Mayflower Greenhouse will then help replicate the beauty of the greenhouse for YOUR home. You will design your very own exquisite centerpiece. Gardening gloves, planting tools and instructions will be provided. A green thumb is not required!

An Unforgettable Green and Gold Evening

Enjoy a legendary evening in the Lambeau Field Champions Club while honoring the life’s work of Bob and Madeline Harlan. Guests will be treated to an unforgettable evening of Green and Gold lore – highlighted with memories from Bob’s 37 years with the Green Bay Packers organization. 2020 marks Bob’s 50-year affiliation with the team!

Celebrating our hometown team has been a cherished tradition of the Toast of the Town parties. It has been rumored that new sections were added to the stadium just to keep up with this longstanding tradition!

As part of this commemorative evening, guests will enjoy a gourmet four-course dinner in the best seats in the house. Deemed the unofficial stadium penthouse, the Champions Club sits high above the South End Zone and provides extraordinary views of historic Lambeau Field.
